Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Up to 14 units of prior graduate coursework in a related field may be transferred into the NNU PsyD program for specific courses, subject to approval by the Program Director. While the transfer of these units will allow for part-time attendance in the student's first year, no amount of transfer units will reduce the five-year timeline for Program completion.

For more information about the program's transfer credit policy, please see the following link:
