

Your FAFSA application was selected for review by the U.S. Department of Education in a process called Verification. In this process, the Office of Financial Aid will compare information from your FAFSA with your 2024 IRS tax information. Due to Federal Aid regulations, NNU is required to collect this information before awarding federal aid. If there is a difference between your FAFSA and information on any of your verification documents, the university will make the correction electronically.

Complete this verification form and submit it to your financial aid administrator as soon as possible. The Office of Financial Aid cannot fully process your financial aid without this information.

Student Income Information - Complete Section 1 OR 2 below

1. Student Tax Return Filers

Instructions: Complete this section if the student (and spouse, if applicable) **filed or will file** a 2024 IRS income tax return(s). As part of federal student aid eligibility, students will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In most cases, no further documentation is needed to verify 2024 IRS income tax return information that was transferred into the student's FAFSA directly from the IRS via the FA-DDX. Contact the NNU Office of Financial Aid if more information is needed.

If 2024 income tax return information for the student **was not** transferred via the FA-DDX (and considered verified), the student should provide NNU's Office of Financial Aid with a 2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules.

A **2024 IRS Tax Return Transcript** may be obtained through:

- **Get Transcript by Mail** - Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript by Mail." Make sure to request the "Return Transcript" and **NOT** the "Account Transcript". The transcript is generally received within 10 business days from the IRS's receipt of the online request.
- **Get Transcript Online** - Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript Online". Make sure to request the "Return Transcript" and **NOT** the "Account Transcript". Follow the instructions to create an ID.me account (if you do not already have one). If you need help creating an ID.me account, or verifying your identity, visit the ID.me IRS Help Site.
- **Automated Telephone Request** - 1-800-908-9946. Transcript is generally received within 10 business days from the IRS's receipt of the telephone request.
- **Paper Request Form** - IIRS Form 4506T-EX or IRS Form 4506-T. The transcript is generally received within 10 business days from the IRS's receipt of the paper request form.

2. Student Tax Return Non-Filers

Complete this section if the student will not file and is **not required** to file a 2024 income tax return with the IRS. All Non-Filers **must** provide documentation from the IRS (or other relevant tax authority), dated on or after October 1, 2024 that indicates a 2024 IRS income tax return was not filed with the IRS (or other relevant tax authority).

___ I certify that I (the student) did not file, and was not required to file, a 2024 income tax return with the IRS.

- A Verification of Non Filing (VONF) form may be obtained by going to irs.gov/Individuals/Get-Transcript and choosing "Get Transcript Online".
- You may also fill out and mail in a 4506-T form, which can be found at irs.gov/pub/irs-pdf-f4506t.pdf

Additionally, check the one box that applies:

___ The student was not employed and had no income earned from work in 2024.
