Financial Aid Form V4 Verification - Statement of Identity 2026-2027

Your FAFSA application was selected for review by the U.S. Department of Education in a process called Verification. In this process, the Office of Financial Aid will compare information from your FAFSA with your 2024 IRS tax information. Due to Federal Aid regulations, NNU is required to collect this information before awarding federal aid. If there is a difference between your FAFSA and information on any of your verification documents, the university will make the correction electronically.

Complete this verification form and submit it to your financial aid administrator as soon as possible. The Office of Financial Aid cannot fully process your financial aid without this information.
